

„Can I get a lift“

You are going to hear a conversation between two men after a business meeting.

First, study the important vocabulary.

- a lift	a free ride in someone's car
- I mustn't stand here chatting	I must go now
- it's quite a walk	it is far away
- pour down	rain very heavily
- a cab	a taxi
- petrol	the fuel of a car

Now, listen to the recording and take notes. After listening to the conversation, answer the following questions in 3-5 sentences each; you may use the vocabulary from above.

1. What are the two men first talking about?
2. Do the two men seem to be good friends? Why/why not?
3. How does the first man react when his "friend" says:
"Were you asking me for a lift?"
4. Retell (summarize) the story; include the relationship between the two men and the ending of the sketch.
